

# THE GREAT RHONDDA FACH DRAGON GUARDIANS

Of course the people of the magical Rhondda Fach know that many dragons live here in the ancient woodlands.

These elusive (and sometimes mischievous) dragons are guarded by the elite team of...

DRAGON HUNTER (AKA LEON)

DRAGON KEEPER (AKA NICHOLAS)

DRAIG AERY'S (AKA KARI)

EITHEN (AKA BETHAN)

ELIZABETH (AKA ELIZABETH)

FLUFFY GIANT DRAGON (AKA JOHN)

GREEN DRAGON (AKA ALICIA)

SHARP BOULDER (AKA RUBEN)

As we said the dragons can sometimes be mischievous.

Recently, Scout Leader John was chased by a dragon whilst out on patrol. Apparently John was spotted earlier in the day eating cake, and as we all know dragons love cake - especially Bara Brith of course.

The dragons are notoriously difficult to photograph, so these images are artistic impressions created by the guardians to help you 'see' them.

We've tried to capture the dragons on film but they always fly away. Sometimes they leave a blur...

...Sometimes there is nothing there. It's like they can make themselves invisible.

We wonder if we'll ever capture a photo of one. What do you think?
