

A photograph of a large tree trunk in a forest, heavily covered in green moss. The tree trunk is the central focus, with other trees and foliage visible in the background. The lighting is natural, suggesting a daytime setting in a wooded area.

Love Poem

Words by John Richardson**

I will not pluck you flowers

Let them live and
bloom beautiful

And dim beside your
vital loveliness.

I will not bring you
birds in cages

Let the sky-cascades
of birdsong
Show how sweet your
music is.

*I will bring you love
because I cannot help myself.*
